THE TIME MACHINE®

As a Local News Reporter for the Tulkingham & Dunsby Gazette, your work could hardly be described as 'exhilarating' Your reporting highlight of the last few years was when the Mayor's Cat got itself trapped on the Town Hall roof and local Firemen had to spend four embarassing hours endeavouring to rescue it Since that day, total boredom has set in with virtually no stories worth a mention cropping up at all

It is with great enthusiasm then that you set off on this new assignment to investigate the strange goings on around the old house on the Moors

The first stop on your assignment was the Wentworth s house, these being the people who first expressed concern about the strange events From the Wentworths you have discovered that the house on the Moors was recently purchased by a Dr Potter, an eccentric scientist who kept himself completely to himself and rarely spoke to anybody The Wentworth s concern was caused by the occasional "strange lights" emanating from the house and 'weird noises On one occasion the Wentworths thought that they saw a figure walking around the house wearing a Suit of Armour although they did admit that it was rather foggy that night and they had been to a party

You are now on the Moors searching for the old house without much success A thick Fog has enveloped the Moors and darkness has fallen Although still enthusiastic, you have been walking around in circles for two hours now and you are starting to become a little worried
